

Grace Sought Me

1. Grace sought me when I was a-stray, en-tan-gled deep in sin,
2. Grace brought me from my wick-ed ways, and drew me near to God;
3. Grace bought me from the wrath of God and full a-tone-ment made.
4. Grace caught me when I slipped a-gain back to my sins be-fore,
5. Grace taught me that, from first to last, I nev-er can em-brace

and found me when I was a-way from God and dead with-in.
a-woke me from my fa-tal daze and warned me of my load.
The price was Je-sus' pre-cious blood and this Grace glad-ly paid.
and gent-ly prod-ded me with pain to help me slip no more.
a hint of pride since all that's passed has been of God's pure grace.
