

How Could A Sinner Such As I

1. How could a sin - ner such as I ob - tain God's fa - vored grace?
2. How could a sin - ner such as I re - ceive God's bound less love?
3. How could a sin - ner such as I be - come an heir of Heav'n,
4. How could a sin - ner such as I be used in God's great plan?
5. God says, "The reach of sov - 'reign grace is per - fect - ly in view

My sins should sen - tence me to die and hide me from His face.
While oth - er loves had passed me by His sought me from a - bove.
and roy - al gifts and hon - ors high to me be free - ly giv'n?
What good in me could He es - py to want this worth - less man?
when I de - light to stoop and save a sin - ner such as you."
