

I Long to Meet My Savior

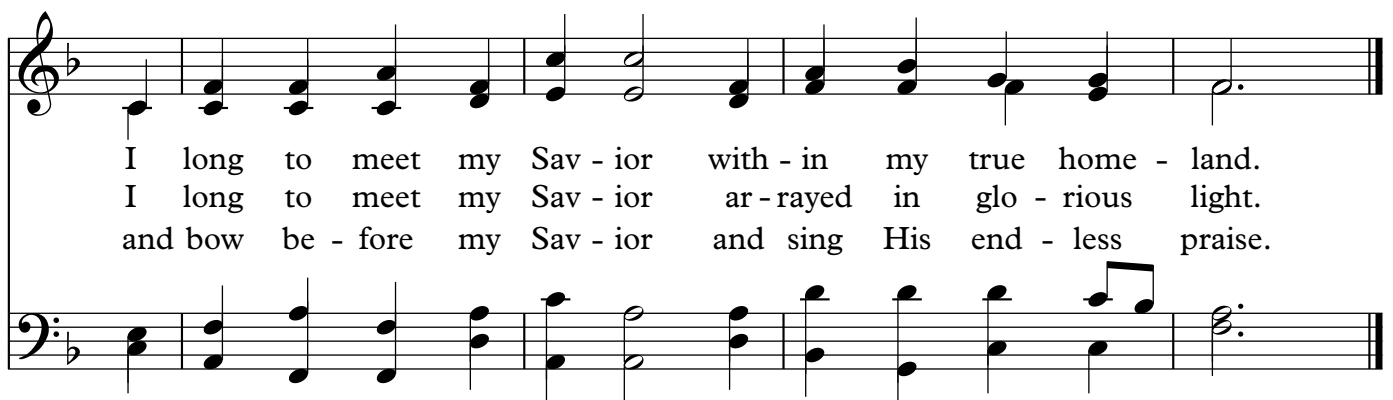

1. I long to meet my Sav - ior, to see Him face to face,
2. I long to meet my Sav - ior, to walk the path He treads,
3. I long to meet my Sav - ior, the King of pow'r and care,

to live with Him for - ev - er with - in His heav'n - ly Place;
to fol - low Him wher - ev - er His won - drous pres - ence leads;
Who in His res - ur - rec - tion has grant - ed me to share.

to touch His snow - white gar - ment, to hold His nail - pierced hand.
to know His lov - ing kind - ness, His strength, His peace, His might.
With re - u - nit - ed loved ones I'll glad - ly take my place,

I long to meet my Sav - ior with - in my true home - land.
I long to meet my Sav - ior ar - rayed in glo - rious light.
and bow be - fore my Sav - ior and sing His end - less praise.
