

We Lift Our Hearts to You

1. In faith we feast to - day, those ran - somed by the Son,
2. In hope we come this hour en - sured of last - ing gain:
3. In love we join as one a - round this heav'n - ly spread.
4. So fill the emp - ty heart and quench the thirst - ing soul,

on bread and wine which serve to say, "Re - mem - ber what I've done."
for He who died was raised with pow'r and comes for us a - gain.
All world - ly bar - riers are un - done with Je - sus as our Head.
and by Your Spir - it grace im - part— O Lord, come make us whole.

We lift our hearts to You, most glor - ious God a - bove.

O let this boun - teous feast re - new our faith and hope and love.
